Bruce Feldman is the author of *Meat Market: Inside the Smash-Mouth World of College Football Recruiting* and *Cane Mutiny: How the Miami Hurricanes Overturned the Football Establishment*. A senior writer at *ESPN The Magazine*, Feldman also writes a popular college football blog for *ESPN.com*. His articles have been cited in several editions of *The Best American Sports Writing*, and he has won first place awards in contests sponsored by the Football Writers Association of America. Prior to joining ESPN in 1995, Feldman played wide receiver for a semi-pro football team in New York. He is sad to report that he wasn't a two-stepper.
